## Office Order

Subject: Strict Prohibition of Examination Malpractice – Warning to All Candidates

All students appearing for the forthcoming "Dr. NTR University of Health Sciences", examinations are hereby informed that the University Command Control Centre is directly monitoring all examination centres through surveillance systems. Any candidate found in possession of or using unauthorized materials, electronic gadgets, written notes, or any other prohibited items inside the examination hall shall be considered to have committed examination malpractice.

### Candidates who found guilty shall be liable for:

1. Immediate debarment from all the remaining examinations of the current examination session.
2. Debarment from appearing for the University examinations during the subsequent examination year, as per the applicable University rules.
3. Any additional disciplinary action as deemed appropriate by the University.

### All candidates are therefore instructed to:

- Enter the examination hall only with the permitted materials.
- Ensure that they are not carrying any unauthorized written material, mobile phones, smart watches, Bluetooth devices or any other electronic communication devices.

The Institution has adopted a **zero-tolerance policy** towards examination malpractice. Students are advised to uphold the highest standards of academic honesty.
