## Message From Principal's Desk

*EDUCATION BREEDS CONFIDENCE, CONFIDENCE BREED HOPE, HOPE BREED PEACE*

Greetings from the Narayana College of Nursing. My warmest congratulations to you for choosing to pursue a career in nursing in order to improve both your personal and professional lives. In India and around the world, the nursing profession is a vital component of the health care system. Regarding the Indian educational system and the employment chances that are available, it has multiplied and established new trends. Compared to the other professional programmes offered through India's higher education system, nursing enjoys an equal standing. Because there is just one profession that is expressly trained to provide nursing services, India has the third-largest healthcare professional group in the world, which is a result of these factors. Due to the foregoing, I would want to categorically claim that Narayana college of nursing, established in the year 2002, is functional in acute liaison with its vision and mission as an universal leader for innovations, research, education, attitude and practice to create positive changes in all health care settings and outcome.

The institution features a modern infrastructure, well-stocked library, fully furnished dorms, and a canteen. It also offers laboratories that are ultra-modern, well-equipped, and roomy. Additionally, it features a placement cell that is open 24 hours a day, 7 days a week, and which is crucial for providing qualified students with prompt, appropriate guidance in line with their abilities. For each student's holistic development, the institution also organizes training sessions, guest lectures, seminars, conferences, workshops, FDP, sporting events, cultural activities, etc. The conduction of soft skill training sessions by the professionals is an attempt to help students become job ready.

- ❖ Narayana College of Nursing was established in the year of 2002 - 2003.
- ❖ It is Recognized by INC, APNMC, Dr. YSR University of Health Sciences.
- ❖ The College runs Ph.D (N), M.Sc (N), B.Sc (N), PB.B.Sc (N) and GNM.

**Narayana College of Nursing, Faculty with Students**

## COLLEGE AMENITIES

In Narayana College of Nursing, library use do appear independent contributions to desirable outcomes of the institution. Nurses today face challenges to ensure access and rational use of efficacious, quality, and safe patient care and health technologies; Strengthening and harmonization of nursing education is essential for the development of basic Nursing sciences to serve the society. Libraries are pivotal in supporting and achieving the mission of higher education in today's information world and to make students information literate. Our library wardrobe consist enormous quantum of books split between authors, topics, subjects, magazines and newspapers. An entire silent zone with mechanized search system is serviced by librarian who is skilled enough to handle all concerns of students.

## **COMPUTER LAB**

Future development will be made possible through virtual technologies. The use of the internet and the availability of many research initiatives or studies will change how the medical community operates. The nursing profession benefits greatly from the use of technology; this includes the monitoring of patient profiles, patient interactions, database management, care delivery, patient counseling, billing, and purchasing.

The labs at Narayana College of Nursing are well-kept, internet-enabled, and networked with authorized software programmes. Another required service is the availability of Wi-Fi, allowing students to complete projects and learn programming without being restricted to computer laboratories for their daily technological needs. The computer lab is always connected to the internet.

Long before the prehistoric era, people employed plants for medical purposes. There is evidence that around 4000 years ago, Unani Hakims, Indian Vaid, and cultures from the Mediterranean and Europe used herbs as medicine. Herbs were employed in healing rituals by indigenous societies in Rome, Egypt, Iran, Africa, and America, while other cultures formed traditional medical systems like Unani, Ayurveda, and Chinese Medicine that systematically utilized herbal remedies. The garden is well-maintained. According to the curriculum, the students visit, care for, and expand upon the garden.

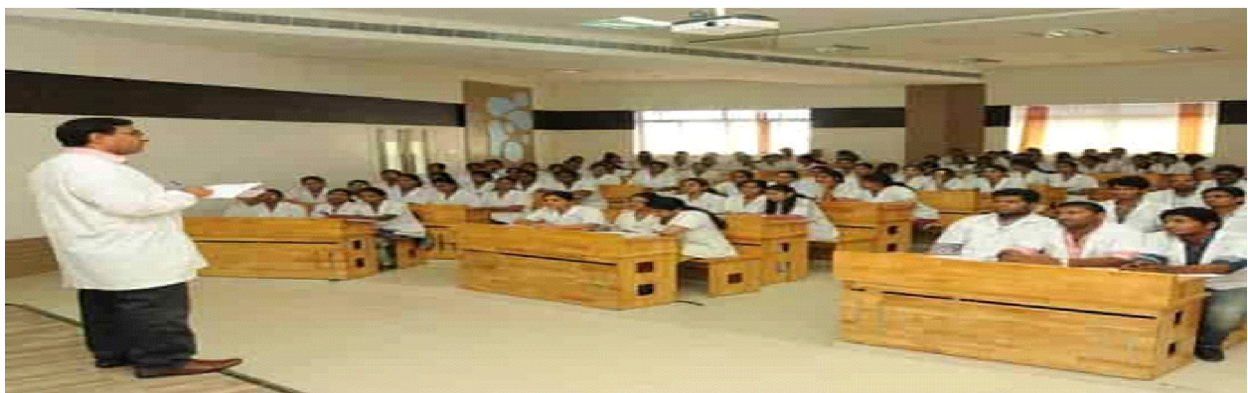

## National / International Conference/Workshops/Seminars

Name of the Conference/ Workshop/ Seminar	Date
A Three Day Workshop on Principal Investigator Training Programme	03.09.2022 to 05.09.2022
IQAC Workshop on CO PO Mapping Assessment Programme	08.09.2022
Seminar on Nurse Led Heart Failure Programme	17.09.2022
IQAC Workshop on Identification of Institutional Distinctiveness and Best Practice	27.09.2022
5th International Conference on Futuristic Nursing	28.10.2022 - 30.10.2022
Seminar on Epigenetics and Disease Pathogenesis	10.11.2022
Workshop on Bioethics in Research	05.01.2023 to 07.01.2023
Workshop on Qualitative Research Methodology	30.01.2023 to 31.01.2023
Seminar on Intellectual Property rights & Innovations	27.03.2023

### A Three day Workshop on Principle Investigator Training Program

Narayana Dental college and Hospital Organized a Three day Workshop on Principal Investigator Training program from 03-09-2022 to 05-09-2022 through online and offline, organized by **Prof. Anil** supported and collaboration with Cavaxia Global research academic. We the Faculty of Nursing College attended workshop for 3 days and updated knowledge which sponsored by Narayana College of Nursing.

## IIC Activity on World Entrepreneurship Day

### Report on World Entrepreneurship Day event

Narayana College of Nursing organized the World Entrepreneurship Day event on August 21st, 2022 in auditorium III floor at 2pm, The event aimed to celebrate the spirit of entrepreneurship and foster a culture of innovation among students. Entrepreneurs play a major role in the economic growth of any country by bringing new ideas and innovation to the market. The activity was assigned as MIC driven activity and IIC council of the GIBS conducted it as a fun learning event for the students.

The event provided a platform to students to present out of waste competition showcase their entrepreneurial skills and receive valuable feedback from Judges the faculty of Narayana College of Nursing. It also provided an opportunity for students to network with like-minded individuals and gain insights into the world of entrepreneurship.

### Inauguration of Incubation Centre

The annual sports Event is more like a festival at Narayana College of nursing. With great enthusiasm and excitement Narayana College of Nursing had organized annual sports week from 28-11-2022 to 03-12-2022. The programme began with inauguration. The Program inaugurated by Dr. Indira. A, Principal, Narayana College of nursing, Dr. V. Kumari Vice Principal (Academic), Narayana College of Nursing, Prof. B. Vanaja Kumari Vice Principal, Narayana College of Nursing, Asso.Prof.K.Madhavi Latha NSS Programme officer, Mr. Silvi Babu, Mr. Venkateswarlu Sports Master, Narayana Medical college, along with HOD's of all the departments, faculty and students were involved in this event. All the participants were very energetic and enthusiastic for sports day celebrations, it could be easily seen in their eyes.

The Students of the college with Great Spirit and joy were involved in the occasion. NSS volunteers and Sports Committee students took major part for organizing the events. Various sports programs were organized by the NSS Unit. The games were divided into indoor and outdoor games for students, they participated according to their interests. For each game time schedule was allotted and arranged in an organized manner. The indoor games were conducted in college premises and outdoor games were conducted in playground. With the energetic performances once the races began; the air was filled with cheering and tons of encouragement for the young athletes.
