DEPARTMENT OF MEDICAL SURGICAL NURSING WORLD ORGAN DONATION DAY – 2026 REPORT

Date: 10.08.2026

Time: 9:00 a.m. – 12:00 p.m.

Participants: Faculty members, 98 IV Semester BSc Nursing students.

The Department of Medical-Surgical Nursing, along with IV Semester B.Sc. Nursing students, observed World Organ Donation Day 2026 by participating in an awareness rally from Vaddipalem to Muthukur Gate, followed by an awareness programme at the Grays Lecture Gallery, in collaboration with Narayana Medical College. The 2026 theme, "We're All Born to Give," highlighted the importance of organ donation and its potential to save lives. During the rally, students raised public awareness by carrying placards and raising slogans promoting organ donation. The slogans emphasized the importance of donating organs, overcoming myths and misconceptions, and giving others a chance to live.

Following the rally, an educational awareness session was held at the Grays Lecture Gallery. Faculty members and medical experts highlighted this year's central theme of bridging the donor gap by educating future healthcare workers and the public on the critical need for voluntary organ pledges. The programme was successfully conducted with enthusiastic participation from students and faculty, helping promote the noble message of "Donate Organs, Save Lives." The Program ended with the National Anthem.
