Industrial Visit to FINARI SERVICES

Date: 05/10/2024

The Department of Computer Science and Engineering of Narayana College of Engineering, Gudur has organized an Industrial visit to **FINARI SERVICES on 05th OCT 2024**. Industrial visit has its own importance in the career of a student who is pursuing a professional degree. It is considered a part of the college curriculum and the objective of an industrial visit is to provide students an insight into the internal workings of companies.

The primary objective of the industrial visit was to familiarize students with the day-to-day operations, business processes, and industry standards. The visit aimed to bridge the gap between theoretical knowledge acquired in the classroom and its real-world application in an organizational setting. it has been recognized for its unwavering dedication to quality, innovation, and ethical business practices.

With a focus on cutting-edge technology and a customer-centric approach, it has successfully positioned itself as a leader in the market. The company's dedication to staying abreast of industry trends and delivering superior products/services has contributed significantly to its success and positive standing in the business community.

The industrial visit to **FINARI SERVICES CHENNAI** to be an enriching experience for all participating students. It effectively bridged the gap between theoretical knowledge and practical application, providing a deeper understanding of industry operations.

Students learnt about the industry environment and its production process flow in the IT industries also got great experience and wonderful interaction with their employees
