DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

REPORT ON TECHNICAL QUIZ

1	Name of the Activity/Event	TECHNICAL QUIZ		
2	Date of Activity/Event	04/02/2026		
3	Organized by/Name of the committee	Dept. of Master of Computer Applications		
4	Place of Activity/event	Narayana Engineering College, Gudur		
6	Type of activity/Event	Student Association Program		
7	Activity/Event objectives	1.To improve Technical Knowledge 2.To Encourage involvement on Events 3.To improve coding skills		
8	Participation	Students	Faculty	Total
		50	02	52
9	General remarks	Better to conduct two or three times		
10	Suggested Improvements	Better to Conduct Session for programming		
11	Enclosures	1.Circulars 2.Photos		

Objective of the Event

The primary objective of the Technical Quiz was to enhance students' technical knowledge, improve logical thinking, and encourage healthy competition among MCA students. The event aimed to test students' understanding of core computer science concepts and emerging technologies in an interactive and engaging manner.

About the Event:

The Technical Quiz was successfully conducted by the MCA Department on [date] at [venue]. The quiz competition witnessed enthusiastic participation from MCA students. The event was coordinated by the faculty members of the department.

The quiz consisted of multiple rounds, such as:

- **Round 1: Programming Concepts**
- **Round 2: Rapid Fire / Debugging Round**
- **Final Round: Advanced Technical Questions**

The questions covered various topics including Data Structures, Operating Systems, Database Management Systems, Computer Networks, Programming Languages, Software Engineering, and recent trends in Information Technology.

Participants actively engaged in all rounds, demonstrating strong technical knowledge and quick problem-solving skills. The competition was conducted in a fair and disciplined manner.

Outcome of the Event

- Students gained improved technical awareness and confidence.
- The quiz helped in identifying talented and technically strong students.
- Team spirit, time management, and analytical skills were enhanced.
- The event created an interactive learning environment beyond the classroom.
