

Report on Poster Presentation Competition Women Warriors of Freedom Fighters

Date: 10/03/2025

The Department of Computer Science and Engineering, in association with the Women's Forum, organized a Poster Presentation Competition titled "Women Warriors of Freedom Fighters" on 6th March 2025 at the CSE Seminar Hall to commemorate Women's Day. The event aimed to honor and celebrate the contributions of courageous women who played a pivotal role in India's freedom struggle while encouraging students to express their creativity through posters.

The competition saw enthusiastic participation from II B.Tech and III B.Tech CSE girl students, who presented visually appealing and informative posters showcasing the achievements and sacrifices of notable women freedom fighters. The event commenced with an inaugural speech by Dr. [Name], Head of the Department, who emphasized the significance of recognizing the contributions of women in history. Participants displayed their creativity by highlighting the contributions of freedom fighters such as Rani Lakshmi Bai, Sarojini Naidu, Annie Besant, Aruna Asaf Ali, Kittur Rani Chennamma, and many more. Each presentation included an explanation of the historical significance and impact of the chosen personalities.

A panel of esteemed judges evaluated the posters based on creativity, historical accuracy, presentation skills, and overall impact. The winners of the competition were announced as follows: First Prize – S.PAVANI, Second Prize – A. Veda varshitha, and Third Prize – K.Sireesha. The winners were awarded certificates and prizes as a token of appreciation for their efforts and dedication.

Conclusion:

The Women Warriors of Freedom Fighters Poster Presentation Competition successfully provided a platform for students to explore and celebrate the contributions of women in India's struggle for independence. The event was well-received, with active participation and appreciation from students and faculty members. This initiative not only enhanced historical awareness but also inspired students to acknowledge the role of women in shaping the nation's history. The Department of Computer Science and Engineering, along with the Women's Forum, extends heartfelt gratitude to all participants, faculty members, and organizers for making this event a grand success.
