

DEPARTMENT OF MECHANICAL ENGINEERING

REPORT ON INDUSTRIAL VISIT

ACADEMIC YEAR : 2018-2019

COMPANY NAME : NELCAST PVT LTD - GUDUR

DESCRIPTION:

Nelcast is India's largest producer of Ductile Iron Castings and a leading producer of Grey Iron Castings. Our products cater to the Global Automotive, Tractor, Construction, Mining, Railways and General Engineering sectors.

Nelcast employs some of the best technology in the field and consistently innovates and adapts to facilitate early manufacture of new components. Nelcast is also continuously upgrading its technology to remain the industry leader in Ductile Iron Castings. Nelcast uses CAD/CAM facilities and computerized systems which enable higher productivity and precision. The Kunkel Wagner Automatic High Pressure Moulding Line is one of its strongest leverages.
